Countrywide Export / Import Interface **Enter Data Once**

Transfer events or benchmarks and delays directly to Countrywide.

Countrywide:

Features

- Enter benchmarks or delays for events tracked by Countrywide into Perfect Practice[®] once. The Perfect Practice[®] Countrywide export interface combines convenience and utility.
- Creates a new customizable case management questionnaire and event codes for you to track your benchmarks. The Countrywide questionnaire can be customized to pull information from existing case management fields, eliminating double entry.
- Perfect Practice[®] creates an .xml file that packages relevant event information and sends the file to Countrywide via a secured user account.
- Receive a clear, easy-to-use resource kit, which includes an HTML-based help utility and step-by-step flash-based movies.
- Help movies walk you through everything from installation to day-to-day operation of your new interface.
- Available by monthly subscription or as one-time full license purchase.
