DoubleTime Export / Import Interface **Enter Data Once**

Bring in Check Requests and Trust Receipts for the user to audit and post.

Features

- Enter check requests and trust receipts effortlessly into Perfect Practice®.
- The smart end-user interface remembers “Producer ID”, “Check Type”, “Journal ID” and “Trust Account” code values that have been selected during previous imports.
- Avoid duplicate data entry with the safeguards applied by the Perfect Practice® import process. Source files are date and time stamped at the time of import.
- The Perfect Practice® DoubleTime import interface uses data packaged in a .csv file format. DoubleTime creates a packaged data set in .csv format, which is then transmitted to you.
- Help movies walk you through everything from installation to day-to-day operation of your new interface. Receive a clear, easy-to-use resource kit, which includes an HTML-based help utility and step-by-step flash-based movies.
- Available by monthly subscription or as one-time full license purchase.

DOUBLETIME®

NOTE: In order for any of the listed interfaces to execute properly, a user's system components must meet the indicated requirements:

Operating System: *Windows 2000* or *XP*
Advantage Drivers on Server and Workstation
